## IN THE COMMISSION OF ENQUIRY INTO STATE CAPTURE:

**AFFIDAVIT**

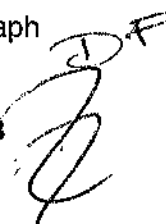

---

I, the undersigned,

**MAKWANATALA JACOB RAKGOATHE**

do hereby make oath and state as follows: -

1. I am an adult an adult male who has been employed by Passenger Rail Agency of South Africa ("PRASA"), since 2016 as General Manager: Group Compliance.
2. The averments made herein are within my personal knowledge and belief, unless stated otherwise or the context makes the contrary apparent, and they are to the best of my knowledge and belief both true and correct.
3. I make this affidavit at the request of the Investigators and Legal Team of the Commission of Inquiry into State Capture.
4. I am aware that another PRASA employee, Mr Tiro Holele, the current Acting CEO of Autopax, a subsidiary company of PRASA, has deposed to and affidavit in which he has made specific reference to me.
5. I herewith confirm the correctness of Mr Holele's affidavit in respect of the matters which relate to me and that on which we worked together. In particular, I further confirm the meeting with Mr Roy Moodley referenced in paragraph 10 and paragraph

11 of Mr Holele's affidavit, as well as the correctness of the details of the meeting, as articulated by Mr Holele therein.

6. I further wish to state with regard to the above meeting, that Mr Moodley stated that he was very surprised that PRASA were defending the Prodigy matter in court, as according Mr Moodley, there were a number outstanding payments from PRASA, for services that he claimed Prodigy had rendered. He was, therefore, insistent that PRASA should settle the matter. I, however, advised Mr Moodley that PRASA would not simply settle the matter and that if Prodigy wanted a settlement, they should direct correspondence to PRASA setting out exactly how they proposed to settle the matter.
7. I confirm that the meeting was very tense and after our refusal to accede to his payment demands, Mr Moodley stated that he was one of the top 15 decision makers in the country, but also added that he was involved in the selection of Chief Executive Officers (CEO's) for State Owned Entities (SOE's). He then indicated that "big changes" were coming and we needed to be on the right side of those changes.
8. I also understood Mr Moodley's statements to mean that if we did not ensure that PRASA made the outstanding payments to Prodigy, there would be adverse consequences for us when the "big changes" occurred.

  
Deponent
