COMMISSION OF INQUIRY INTO STATE CAPTURE

P(c)-DDVR-1235

Exhibit P(c).18

IN THE JUDICIAL COMMISSION OF INQUIRY INTO ALLEGATIONS OF STATE CAPTURE, CORRUPTION AND FRAUD IN THE PUBLIC SECTOR INCLUDING ORGANS OF STATE

(HELD AT PARKTOWN)

AFFIDAVIT

I, the undersigned,

ENOCH GODONGWANA

do hereby state under oath as follows:-

1. The facts deposed to hereinafter are, to the best of my belief, both true and correct. They are within my personal knowledge unless the context thereof indicates otherwise or I expressly state so.

2. I am a member of the African National Congress (ANC) which is the ruling party in the Republic of South Africa. I joined the ANC in 1981 and I have retained my membership since then.
3. I have served the ANC in various capacities. I have been deployed by the ANC to serve in government in various capacities.

4. Currently, I am a member of the National Executive Committee ("the NEC") of the ANC. I have served in that capacity since 1997. The NEC is the highest decision making body of the ANC between national conferences. I am the Chairperson of a Committee on Economic Transformation. I have held this position since 2013.

5. I depose to this affidavit pursuant to the invitation of the above Commission as per its letter dated 11 November 2019. I am required to assist the Commission with reference to the evidence of Mr Lungisa Fuzile, the former Director General of National Treasury in so far as that evidence refers to me. I have been provided with a portion of the statement made by Mr Fuzile in which he refers to a conversation I had with him.

6. I confirm that to the best of my recollection the evidence of Mr Fuzile as far as it refers to me is correct. I confirm that:

   6.1. in December 2015, in the evening on the day in which the former president reshuffled his cabinet, I called Mr Fuzile and informed him that he was going to get a "Gupta Minister". I had knowledge by then that Mr Nhlanhla Nene, the then Minister of Finance had been removed from his Cabinet post.

   6.2. I told Mr Fuzile that the new Minister was likely to come with advisors that he [the new Minister] did not even know;

   6.3. I told him that the advisors would be given to him [the new Minister] by the Guptas;

   6.4. I suggested to him that he should talk to Dr Thibedi Ramontja, who, at the time, was the Director-General at the Department of Mineral Resources.

THE BASIS FOR THE COMMENTS MADE BY ME TO MR LUNGISA FUZILE

7. As stated above, I am a member of the NEC. By virtue thereof and as expected, I sit in the meetings of the NEC. The president of the ANC is also a member of the NEC.

8. At various NEC meetings particularly during 2015, the former President of the Republic of South Africa who was also the president of the ANC, Mr Jacob Zuma, would advise the NEC meetings of his displeasure and frustration with the National Treasury. He complained that the National Treasury was behaving "like a government within a government".

9. In view of what the President communicated at the NEC meetings as his frustration with the National Treasury, there was wide speculation that he would reshuffle the Cabinet. The speculation about the cabinet reshuffle centred on the belief that Mr Nhlanhla Nene, the then Minister of Finance would be removed as a Cabinet Minister.

10. Before I called Mr Fuzile, rumour had been doing the rounds that Mr Nhlanhla Nene had been removed. I called Mr Nhlanhla Nene to verify the rumours and he confirmed that he had indeed been fired.

11. At the time when I made a call to Mr Fuzile, I already knew that Mr Nhlanhla Nene had been removed from his Cabinet position. At that time though I did not know who the new Minister of Finance would be.

12. The comments I made about the new Minister arriving with advisors linked to the Guptas were based on the following:

    12.1. sometime in 2015, there was a cabinet reshuffle where Mr Ngoako Ramathlodi was replaced with Mr Mosebenzi Zwane at the Department of Mineral Resources;

    11.2 It was reported in the media and there was wide speculation that Mr Mosebenzi Zwane was appointed as Minister of Mineral Resources at the behest of the Gupta family.

    11.3 It was reported further that upon his arrival at the Department of Mineral Resources, Minister Zwane came with three advisors who had links to the Gupta family and the advisors were not known to him. The arrival by a Minister with advisors is something highly unusual in government.

CONCLUSION

13. My comments to Mr Fuzile were also based on the events surrounding the appointment of Minister Zwane who came with the Gupta linked advisors to the Department of Mineral Resources.

14. In the circumstances, what I said was my deduction from what I understood to be a modus operandi based on the past cabinet reshuffles experience and the perceived influence of the Gupta family in such reshuffles.
