**Dear Dr Khotso De Wee**

We have received your request dated the 23 August 2018 to provide flight bookings for Mabel Patronella Mentor with ID No. 6310190740081; between July 2010 and November 2010 (including cancelled or unused). **SUPPLEMENTARY STATEMENT OF MS MABEL PATRONELLA  
("VYTJIE") MENTOR**

---

I, the undersigned,

**MABEL PATRONELLA ("VYTJIE") MENTOR**

do hereby state as follows:

1. I am an adult female residing in Cape Town.
2. Except where the contrary is expressly stated or clear from the context, the facts in this statement are within my personal knowledge. To the best of my knowledge, they are true and correct.
3. The purpose of this supplementary statement is to address certain issues that have arisen since I gave my evidence before the Commission in late August 2018.

## THE FLIGHT TO CHINA

4. I note from paragraph 13 of Mr Ajay Gupta's application to cross-examine me that he has denied that he ever met me on an Emirates flight from South Africa to China. In paragraph 13 of the affidavit in support of the application, dated 2 September 2018, he says:

"Turning to the alleged introduction by Mr Duduzane Zuma, and if she was on the same flight as us (which appears doubtful now), it is not so that I was introduced or present during the alleged introduction by Duduzane Zuma of my brother Rajesh. I note that Ms Mentor speaks of Rajesh Gupta being accompanied by "another Indian man". Insofar as this is suggested to have been me, I can assure the reader hereof that there was no such introduction involving myself. I am sure that there was no introduction involving my brother, as he would have told me of any significant occurrence on that flight."

5. It is important for me to emphasise that I have never testified that I met Mr Ajay Gupta (or Mr Atul Gupta for that matter) on the flight from Johannesburg to China. Anyone who believes that this is my evidence is mistaken. To repeat, my evidence is as follows:

5.1 Whilst aboard the flight from South Africa to Dubai (i.e. while on the Johannesburg to Dubai leg of the journey), I was approached by Duduzane Zuma ("Duduzane") who was also on the same flight.

5.2 Duduzane is the son of former President Mr Zuma. He introduced himself to me. This was the first time that I had met him.

5.3 When Duduzane approached me, he was with an Indian man.

He asked if he could introduce me to the Indian man who accompanied him.

5.4 He may have been accompanied by another Indian man, but I was only introduced to one of them. I said yes to Duduzane's request, and he introduced the Indian man as his "partner". I assumed Duduzane to mean a business partner.

5.5 I now know that the Indian man (to whom I was introduced by Duduzane) was Mr Rajesh Gupta.<sup>1</sup>

6. As regards the suggestion that I was not on the same flight as Mr Rajesh Gupta, the available evidence that has come to light suggests otherwise. I have been shown a copy of a letter dated 15 November 2018, which was sent by a Dr Abdulla Al Hashimi, the Chief of Group Security of Emirates, to the Honourable Deputy Chief Justice. The copy appears on pages 278 and 279 of the Supplementary Bundle, which I was given on Friday, 8 February 2019. Attached to the letter (on page 279), is a sheet, which records bookings made for various people on various Emirates Flights for the period 1 May 2010 to 31 May 2010. I am recorded as Subject Number 5.

7. In summary, the sheet reveals that on 22 August 2010, I was booked to fly on Emirates Flight EK0766 from Johannesburg (JNB) to Dubai (DXB), along with:

7.1 Mr Rajesh Gupta

---

<sup>1</sup> See my first witness statement, para 34.

7.2 Mr Duduzane Gupta; and

7.3 Mr Ajay Gupta;

8. The allocated seating on the flight was as follows:

|                   |  |                    |
|-------------------|--|--------------------|
| 1A                |  | 1E – Ajay Gupta    |
| 2A                |  | 2E – Mabel Mentor  |
| 3A – Rajesh Gupta |  | 3E – Duduzane Zuma |
| 4A –              |  | 4E –               |
| 5A –              |  | 5E –               |

9. It is clear that I was on the same flight as Duduzane Zuma, Rajesh Gupta, Ajay Gupta.

10. There is one further matter, which I wish to highlight. It appears from page 278 of the Supplementary Bundle that Emirates was asked to check for records of flights for various 'subjects', with specified passport numbers. One of the subjects was Atul Gupta. The passport number that

was given for him was “477486059”. No other passport numbers appear to have been provided, or checked. But it has been widely reported in the Media that Mr Atul Kumar Gupta has been issued with numerous concurrent South African passports.<sup>2</sup> And indeed, in answer to a written Parliamentary question from Mrs H O Mkhali (EFF) to the Minister of Home Affairs, dated 16 March 2018 (a copy of which is annexed marked “VM1”),<sup>3</sup> the Department of Home Affairs confirmed that by August 2010, Mr Atul Gupta had been issued the following South African passports, all of which appear to have been valid at the time:

| PASSPORT NO | DATE OF APPLICATION                                  | OFFICE OF APPLICATION | DATE OF ISSUE | DATE OF EXPIRY |
|-------------|--|-----------------------|---------------|----------------|
| 477486059   | *Not system registered (manual registration process) | Centurion             | 2008/06/05    | 2018/06/04     |
| 448254276   | *Not system registered (manual registration process) | SAHC New Delhi        | 2004/09/29    | 2014/09/28     |
| 437252898   | *Not system registered (manual registration process) | Randburg              | 2002/11/04    | 2012/11/03     |

11. Apart from this, it is quite possible that Mr Atul Gupta had a valid Indian passport as well in August 2010.

<sup>2</sup> See, by way of example, <https://www.news24.com/SouthAfrica/News/the-guptas-passport-bonanza-20180310>

<sup>3</sup> And accessible at <https://pmg.org.za/files/RNW744-180418.docx>.

12. It is unclear from the documents that have been made available to me whether Mr Atul Gupta's movements in and out of South Africa have ever been checked with reference to other passport numbers applicable at the time, whether on Emirates flights or otherwise. A previous iteration of the supplementary bundle contained the Summons issued by the Commission to Emirates,<sup>4</sup> a copy of which is annexed hereto marked "VM2". From Annexure A to this Summons it appears that only one of the passport numbers for Mr Atul Gupta (namely 477486059) was provided.

#### **THE DEPARTMENT OF PUBLIC WORKS REPORT**

13. On Friday, 8 February 2019, I was handed a Report for the Commission of Inquiry in relation to Properties No 1, 3 5 and 7 Saxonwold Drive. The Report has been prepared by the Built Environment Team of the Department of Public Works and is dated 1 February 2019 ("the DPW report"). I have, in the very limited time available, read the document. It has not been possible for me to closely study the DPW report.
14. I do, however, wish to make a number of observations regarding the work that has been done.
15. It appears to me that the only '*conclusion*' that has been drawn by the DPW team is that, owing to the limited nature of the investigation that was conducted, it is inconclusive. It clearly appears from paragraph 2.4.5 of the DPW report that:

---

<sup>4</sup> Summons is issued in terms of section 3(2) of the Commissions Act 8 of 1947

*“The Commission’s legal team also indicated that the DPW team would be required to articulate their conclusions and provide a report in respect of features as identified by Ms Mentor (as to whether these could probably have previously existed at the time of Ms Mentor’s visit and the possibility of them having been done away with as a result of structural changes to the property) and the scientific basis for the conclusions drawn”.*

16. Put simply, it was understood by all concerned that certain features that I recall from my visit to the relevant property in 2010 may no longer exist and that experts would be required to consider whether they once did, and to articulate their conclusions in this regard. It is common cause that this has not been done.
17. It is also necessary for me to point out that my evidence before this Commission appears to have been misunderstood or misrepresented in several respects. Simply by way of example:
- 17.1 In paragraph 2.4.4 of the report, it is recorded that one of the “features” that I had identified in my testimony was “two adjacent guest bathrooms ... in the passage leading from the waiting room where Ms Mentor alleges she sat”. I have never testified that there were two adjacent guest bathrooms in the passage. What I said in my evidence was that “*After he showed me ... then he said to me now let me go and show you the other bathrooms on the other side, then I said if these are ladies bathrooms, I don’t need to see other bathrooms, presuming that they would be male and that I would not need to use them. So I didn’t go, so I ended up sitting back on the couch where I was seated with my handbag on... I think I was seated on a two seater, or the three seater, I can’t remember.*”

- 17.2 My evidence is clear. I was never shown "the other bathrooms on the other side." The "other side" could have meant "the other side of the waiting room", or the "other side of the house". The other bathrooms could quite possibly have been in the passage, leading to the kitchen, on the other side of the room in which had been waiting. I was never shown them. I did not say that the bathrooms *were* indeed adjacent to one another. Perhaps some confusion has arisen because (as is clear from my oral evidence) I often tend to use the word "bathrooms" (pl) to describe a single room.
- 17.3 In paragraph 2.4.5 of the DPW report it is recorded that my testimony is that there was "an access door leading from the passage into the waiting room where Ms Mentor alleges she sat". I note that this does not appear in the brief to the DPW team (see paragraph 8 of the brief attached to the report). To the extent that it is being suggested that that my evidence is that there was a door between the waiting room and the passage in which the bathroom was located, I do not believe that I have ever given that evidence before the Commission.
- 17.4 Paragraph 2.4.4.2 is also not entirely accurate, inasmuch as it suggests that the pillar was slap bang in the middle of the room. I think my evidence in relation to the position of the pillar is clear.
- 17.5 It appears to me to be unfortunate that the DPW team did not make the observation that there were several features of my testimony, which were indeed present. Paragraph 3.2.2 of the

DPW report suggests that none of the features that I had described could be identified in the current configuration of the properties and areas inspected. But this is not true. *Inter alia*:

- 17.5.1                    There was indeed a small bathroom in a passage which leads off from the entrance hall room, which accords with the position that I recall and have repeatedly described;
- 17.5.2                    There was indeed a passage leading to a kitchen in the position which accords with the evidence that I have given;
- 17.5.3                    The steps to the main entrance to the house were in the approximate position that I remember, and were marble / granite<sup>5</sup>, although there were more steps than I recall from my visit in 2010; and
- 17.5.4                    There were indeed murals in various parts of the house, although not one on the wall, which I recall.
18.                    I do not understand how the DPW team can say that it “*could find no concrete evidence of the existence of the features Ms Mentor claimed she had seen.*” I do not agree with this statement.

**MY EVIDENCE THAT AJAY GUPTA OFFERED ME A MINISTERIAL POSITION IN 2010**

---

<sup>5</sup> I have explained that I get confused between the two.

19. During my evidence in chief, I testified that:

19.1 In 2010, I was the chairperson of the Portfolio Committee for Public Enterprises.

19.2 In 2010, I had been trying to meet with the President to discuss the peddle bed modular reactor (“PBM”), a nuclear research project of the state, which was situated at Pelindaba (outside Pretoria).<sup>6</sup>

19.3 Sometime in September to October 2010,<sup>7</sup> Ms Kaunda telephoned me on a Sunday evening to inform me that the President was willing to meet with me in Pretoria the following day.<sup>8</sup>

19.4 I consequently flew to Johannesburg the following morning. Two of the Gupta brothers met me at the airport. They ultimately took me to their residence. At the Gupta’s residence, I was told that there was going to be a cabinet reshuffle and that Barbara Hogan, who was the Minister of Public Enterprises, was going to be removed from this position. I was told that I could be appointed as the (new) Minister of Public Enterprises. This was provided that I agreed to drop the South African Airways (“SAA”) route from South Africa to India.<sup>9</sup> I was informed further that the Gupta brothers’ company was partnered with Jet

Airways, which could offer this route.<sup>10</sup>

19.5 Barbara Hogan was the Minister of Public Enterprises when this occurred. At the end of October 2010, President Zuma did indeed reshuffle his cabinet. Barbara Hogan was removed as the Minister of Public Enterprises and Malusi Gigaba was appointed in her stead. SAA's route from South Africa to India was subsequently cancelled. In addition, Jet Airways took over the route.<sup>11</sup>

20. My evidence in this regard has been corroborated by both Barbara Hogan and Cheryl Carolus:

20.1 Barbara Hogan testified that President Zuma appointed her as the Minister of Public Enterprises in 2009. On 31 October 2010, she was removed from that position as part of Cabinet reshuffle.

20.2 Cheryl Carolus testified that she was appointed as the Chair of SAA in 2009. Before Barbara Hogan was removed as the Minister of Public Enterprises, Jet Airways began pressuring SAA to drop the South Africa to India route. Hogan supported the SAA's Board resistance to this pressure from Jet Airways.<sup>12</sup>

20.3 Shortly after Minister Gigaba's appointment as Minister of Public Enterprises, he scheduled a meeting with her to discuss the Mumbai route. The President of Jet Airways attended the

meeting and began telling her that SAA should drop the Mumbai route. Minister Gigaba did not intervene at all during the exchange. Both Minister Gigaba and the management of Jet Airways continued to pressure SAA to drop the Mumbai route. It eventually did so during Gigaba's tenure as Minister of Public Enterprises.<sup>13</sup>

**CORROBORATION OF MY EVIDENCE REGARDING AJAY GUPTA'S OFFER OF A MINISTERIAL POSITION**

21. During my evidence in chief, I confirmed that shortly after Ajay Gupta offered me a ministerial position in exchange for furthering the Gupta's business interests, I reported this to members of the Portfolio Joint Standing Committee on Intelligence, including Mr Dennis Bloem. I testified that I did so informally before the Committee met.<sup>14</sup>
22. In his statement, Mr Dennis Bloem states the following (paragraph numbers omitted):

*“Around August 2010 and after recess, I recall receiving a call from Ms Vytjie Mentor, then a member of Parliament representing the African National Congress (ANC). She said she wanted to see me. We met in Parliament in one of the lounges over tea. She said to me the Gupta brothers invited her to their residence in Saxonwald. She further told me that they offered a ministerial position. They said they could make her a Minister of Public Enterprises. She asked them how that was possible as the President was the one who appoints Ministers. They said that Minister Barbara Hogan was going to be fired from that position and they were thinking of her and they have been monitoring her all the time. They were of the view that she was a*

*very good person. She said to me that they told her if she agrees to take that position then she had to withdraw South African Airways on the Mumbai route and gave it to them [sic]. She told me that she objected and refused and said that she was not interested as the President of the country is the one who appoints and not them. She told me that she insisted to be taken to the airport as she said she did not have time to discuss these kinds of things. She said one of the Gupta brothers stood up and said that he was very disappointed with her. When they took her out of the room and on the way to the car but in the house, she met former Head of State President Jacob Zuma and she said to me she told him what had transpired inside that room where they were. His answer was that she should not worry about that. The President and one of the Gupta brothers escorted her to the car. She was then driven to the airport. She was extremely disappointed with these developments which she shared with me.”<sup>15</sup>*

23. In my evidence, I stated that the offer was made to me in September or October 2010 and that I reported to Mr Bloem shortly afterwards. Mr Bloem states that I reported the Gupta’s offer to him “around August 2010 and after recess”, which plainly could have been in September or October 2010.
24. The remainder of Mr Bloem’s account also corroborates my evidence (regarding the Gupta’s offer to me of being appointed Minister of Public Enterprises in exchange for furthering their business interests) in many material respects.

#### **TRANSCRIPTION OF MEETING WITH MTOLO AND MNONOPI**

25. I realised after my first meeting with Advocate Mtolo that it would probably be wise for me to record any future meetings. I did exactly that at our next meeting. This meeting took place on 14 December 2016.

---

<sup>15</sup> Statement of Mr Dennis Victor Bloem, 13 November 2018, paras 6 – 23.

Advocate Mtolo and Major-General Mnonopi met me at my house.

26. Mtolo apparently also recorded the meeting. On 1 November 2018, he filed a transcription of his recording.

27. In relation to this meeting, I stated the following in my statement:

*“A member of the Hawks, Advocate Mtolo along with another member of the Hawks whose name I do not recall, then came to my house with a typed version of the statement.”<sup>16</sup>*

28. In his application to cross-examine me, Mtolo responded as follows in this regard:

*“I admit having met the deponent at her residence by prior arrangement, but however deny being in the company of anybody and avers that I was only by myself at the time.”<sup>17</sup>*

29. I have listened to my recording of the meeting with my attorneys. It is clear from the recording that Mtolo’s version is not correct. Another woman can be heard on the recording.

30. My attorneys requested the Commission to transcribe the recording. They addressed a number of requests in this regard to the Commission:

30.1 On 14 November 2018, my attorneys addressed an email to Mr. Mabunda containing an electronic link to access the recording. A copy of the email is attached and marked “VM3”.

---

<sup>16</sup> Statement, para 120, D1, p 34.

<sup>17</sup> Mtolo’s Application in terms of Rule 3.4, para 3, D3, p 49.

- 30.2 On 14 November 2018, my attorneys addressed a further e-mail to Mr Mabunda. They requested financial assistance to obtain a transcription of the recording and provided a quotation that they had obtained in this regard. A copy of the e-mail is attached and marked “VM4”.
- 30.3 On 14 November 2018, my attorneys received an internal mail at 21h17 from their internal IT department, which confirmed that Mr Mabunda had accessed the recording on 17:52.
- 30.4 On 22 November 2018, my attorneys addressed a further letter to the Commission’s Evidence Leaders, Advocates Pretorius SC and Sello. In paragraph 8.5 of the letter, they requested that the recording be transcribed. A copy of the letter is attached and marked “VM5”.<sup>18</sup>
- 30.5 On 29 November 2018, my attorneys addressed a further letter to Mr Mabunda, which was copied to Advocates Pretorius SC and Sello. It requested, amongst other documents, a transcription of the recording (paragraph 14(e)). A copy of the letter is attached and marked “VM6”.
- 30.6 On 16 January 2018, my attorneys addressed yet another e-mail to Mr. Mabunda in which it requested an update as to the status of all outstanding documents, including the transcript of the recording. A copy of the e-mail is attached and marked “VM7”.

---

<sup>18</sup> It should be noted that the letter contains an obvious error as to the date of the relevant meeting. It should read “14 December 2016” instead of “14 December 2018”.

- 30.7 On 8 February 2018, during a meeting with Advocate Sello, my legal representatives again pointed out that there had been no response to the request for the transcript of the recording. She asked that they send her a copy of the request, which they did the on same afternoon. A copy of the relevant e-mail is attached and marked "VM8".
31. During the evening of 9 February 2018, Mr Mabunda e-mailed my attorneys what is alleged to be the transcription of the recording. It was in word format and it was not certified to be an accurate transcription of the recording. There are also quite a number of sections that are incomplete, either because the conversation was conducted in Xhosa or because it was inaudible. A copy of the transcript is attached and marked "VM10". I consequently do not accept that it is an accurate transcription of the recording. Thus, in my view, the Commission has still not acceded to my numerous requests that the Commission transcribe the recording.
32. However, if one compares the Commission's transcript with Mtolo's transcript the following is nonetheless clear regarding the meeting of 14 December 2016:
- 32.1 Mtolo arrived late to the meeting. Major-General Mnonopi arrived before he did. I began to record my conversation with Mnonopi after greeting her and ushering her into my house. It is clear from the Commission's transcript that she and I spoke for almost eight minutes (from when I began the recording) before Mtolo arrived.
- 32.2 Thus, Mtolo's transcript contains portions of the discussion that

took place between Mnonopi and I before he even arrived for the meeting. The only reasonable inference from this is that he did not record the meeting. Rather, it must have been Mnonopi who did so.

32.3 A fair amount of the meeting was conducted in Xhosa, in addition to English. It will be immediately apparent that Mtolo's transcript reflects the parts of the conversation in Xhosa, together with the English translation. As set out above, the Commission's transcript does not do so. This is clearly a shortcoming in the Commission's transcript of my recording.

33. In order to verify the accuracy of the Mtolo / Mnonopi recording and transcript, it would be desirable to have my recording properly translated and transcribed. Despite numerous requests over a number of months (as set out above), this has not yet happened.

### **ROBERT MCBRIDE**

34. During my evidence-in-chief, I testified as follows:

*"I want to submit that there was difficulty and a refusal when I arrived at the IPID office to take my statement. I had to battle. I had to call Major General [Vearey] to get from him the contact number of Mr McBride, head of IPID, and to tell him that people are – I am at the IPID to report that they are refusing to take my statement and Mr McBride had to intervene and had to instruct them to take my statement. So, subsequently on the same day the statement was taken and I would like to request the Commission to get me the statement. It*

*will assist me in dealing with the issue of the third person.*<sup>19</sup>

35. The Commission has not yet obtained my IPID statements. Nor has the Commission taken a statement from Mr McBride. Indeed I have repeatedly requested the Commission to ask Mr McBride for a statement, as it was to him that I spoke. It is unclear whether this has been done.
36. However, there is objective evidence on the record that corroborates my version in this regard. The number that I phoned Mr McBride on was his cell phone number, which was given to me by Mr Vearey and which I recently used to contact him in relation to another matter. It is +27824...37 (full number withheld for privacy reasons).
37. I phoned him from my cell phone (with the number +27722...80) (full number withheld for privacy and security reasons). The Commission has obtained almost two thousand pages of Vodacom cell phone records, which were sent to my attorneys on Saturday, 9 February 2019. The records show that I communicated with Mr McBride by text (SMS) messages and by telephone conversation. In particular, on 3 November 2016, I sent Mr McBride a text message (SMS) at 11h32. I sent him another two SMS messages at 11h47. In addition, at 13h53, it is evident that we spoke. This is also confirmed by McBride's cell phone records provided to me by the Commission.
38. It is also evident from the records that I was in contact with Mr Vearey at that time. It is apparent from the cell phone records that on 4 November 2011, I called Mr Vearey at 10h51, 11h26, 11h41 and 12h59 and sent a

text message at 14h40 . It is also apparent that I called his number at 13h01 and 13h10.

**JESSIE DUARTE**

39. During my evidence in chief, I testified that I disclosed the Gupta's offer of a ministerial position to me to Jesse Duarte and to Gwede Mantashe who were members of the ANC's secretariat at the time.

40. After I testified, Duarte reportedly gave a statement to the media in which she denied that I had done so as follows:

*"I have never discussed any matter with the lady other than her complaint about a leg injury [that] she sustained at Parliament. And I became [deputy secretary general] in 2012," Duarte told News24 on Tuesday."*

41. Duarte also apparently stated further that although she worked at the ANC's headquarters at the time, she was only appointed deputy secretary general in 2012 at the Mangaung elective conference. I consider her statements in this regard to be untruthful.

42. In May 2010, Duarte announced that she was leaving the Presidency. Shortly after the announcement she went to work in Luthuli House in the office of the General-Secretary. While she may have only been formally appointed to the post on a permanent basis in 2012 (as she claims) she omitted that she gave notice of her intention to resign from the presidency in May 2010 and went on to work in the office of the acting Deputy General Secretary later that year.

43. I recall that she was not yet acting when I was first informed of the offer. It was in November 2010 when I told her and Gwede Mantashe of the offer. Furthermore, Duarte and I shared a cell for about six months in 'Sun City' prison (in detention) so I find it very difficult to believe that she does not know "*that lady*" as she referred to me in the media.

#### **KAUNDA'S TELEPHONE RECORDS**

44. As is apparent from the correspondence attached to this statement, I have, through my legal representatives, repeatedly asked to be provided with Ms. Lakela Kaunda's outstanding cell phone records. I requested the records for both of her numbers for the months of September and October 2010. To date, I have only the received the record for one of her numbers and only for the period of October 2010.
45. My legal representatives made these requests repeatedly:
- 45.1 In a letter dated 20 November 2018, which was addressed to both the Commission and to Deputy Chief Justice Zondo (in paragraph 4.2);
- 45.2 In a letter dated 22 November 2018, which was addressed to the Commission and to Deputy Chief Justice Zondo (in paragraph 4.2); and
- 45.3 In a letter 29 November 2018 (paragraph 14(c)), which referred to the letters dated 20 and 22 November 2018.
46. In addition to these letters, two emails were sent on 26 November 2018

567

and 16 January 2019 inquiring whether any progress had been made regarding the requests that are set out above.

47. To date, no answer has been forthcoming to these requests. The Commissions' failure to obtain the additional records, or Ms Kaunda's unwillingness to provide them, is notable considering that even Mtolo's transcript (of the meeting of 14 December 2016) records me as saying that it was most likely within a period of five or six weeks after the President's visit to China. In fact, I now believe that the Gupta meeting could well have been as early as 13 September 2010, which means that Ms Kaunda and I would have spoken on Sunday, 12 September 2010. It is therefore important that her September telephone records be obtained.
48. But in any event, the Commission ought to have ensured that it requested the records for both cell phone numbers.

The Regulations 2(5) allow the Department to issue a second South African passport under circumstances listed in Regulations 8(3), 8(4) and 8(5).

The reasons for applying for a second passport, amongst others, are either the passport is full, expired or the passport is sent for visa applications. The passport application system has a facility that allows applicants to indicate the urgency of their applications.

## COMMISSION OF INQUIRY INTO ALLEGATIONS OF STATE CAPTURE: MS MENTOR CROSS-EXAMINATION

1. We refer to the above matter and to the letter addressed to the Commission dated 20 November 2018.
2. In our letter, we referred to the meeting between Ms Mentor, her legal representatives and Adv Sello on 15 November 2018 where Ms Mentor was advised that she would no longer be taking the stand on 16 November 2018 as previously agreed and that she would be required to attend an inspection *in loco* of the Gupta's Saxonwold residence during the week of 19 November 2018. We further received an indication that Ms Mentor's evidence in chief and cross-examination would be concluded on the only other available date, being 30 November 2018.
3. In the 20 November letter we enquired as to when the inspection *in loco* would take place. We further provided the Commission with a list of outstanding information which our client still required for purposes of her appearance before the Commission.
4. On the evening of 20 November 2018 and at 20:54, we received a letter from the Commission's Mr Mabunda indicating that the legal representatives of the Gupta family had indicated that the inspection *in loco* could take place on Friday, 23 November 2018.
5. On the afternoon of 21 November 2018, after obtaining instructions and securing the availability of counsel, we addressed a letter to the Commission confirming our availability

for the inspection *in loco* and requesting that our clients travel arrangements urgently be attended to. In addition, we once again highlighted the outstanding issues.

6. On the morning of 22 November 2018, and whilst Ms Mentor was awaiting confirmation of her travel details for that day in order to arrive in Johannesburg, the writer received a telephone call from Mr Mabunda who indicated that the inspection *in loco* could no longer take place as agreed on Friday 23 November 2018 as the attorneys for the Gupta family indicated that the date is no longer "available". Instead, the dates of Tuesday 27 November 2018 and Wednesday 28 November 2018 were proposed. I indicated to Mr Mabunda that I am unavailable on Tuesday 28 November 2018 and that in the circumstances the inspection would only be able to take place on Wednesday.
7. We write to you on the instructions of our client who has requested that we note her concern in respect of the change of the date of the inspection *in loco*. Of particular concern to our client is the short timeframe which she will be afforded following the inspection *in loco*. Our client is concerned in respect of the continued short time frames which she is provided in order to address and deal with evidence which comes before the Commission. The hurried manner in which vital evidence and information regarding her evidence has been treated is causing our client great distress and concern. Our client is of the view that given that the inspection *in loco* has been postponed and that there is still evidence which has not yet been furnished to her and ourselves, she cannot reasonably take the stand on Friday, 30 November 2018.
8. Our client still awaiting the following which was requested from the Commission both at the meeting of 15 November 2018 and in our letters dated 16 November 2018 and 20 November 2018;:
  - 8.1 the bundle of further evidence that has been received which was intimated to in the meeting on 15 November 2018;
  - 8.2 the seating plan for the Emirates outbound flight to Dubai for the China trip; (If there are concerns regarding passengers' identity, the names can be deleted from the plan (save for that of Ms Mentor). Ms Mentor confirms that she is able to identify precisely where, in relation to her seat, the man Duduzane Zuma referred to as his Chairman, was seated. Ms Mentor can then inform the Commission of the row and seat number, and the Commission can identify the person from the passenger list.
  - 8.3 Ms Lakela Kaunda's outstanding cell phone records, and in particular those for her alternative number and records for both numbers for the month of September 2010. We only have records for one of her two numbers and only for the month of October 2010. The 'Saxonwold offer' made to Ms Mentor was either in September or October 2010.
  - 8.4 Robert McBride's statement as head of IPID, which Ms Mentor says will confirm that she indeed laid charges against the Hawks and other officials.
  - 8.5 A transcription of Ms Mentor's recording of the meeting with Adv Mtolo and Major-General Mnonopi on 14 December 2018.

9. In the circumstances, Ms Mentor is unable to take the stand on 30 November 2018. She is however available for the inspection in loco and for meeting with the evidence leaders in order to prepare. It would in our opinion be prejudicial to both Ms Mentor and to the work and mandate of the Commission should she take the stand on 30 November 2018, in circumstances where evidence is led hurriedly and without an opportunity to properly consider it and where vital evidence is still outstanding.

Yours faithfully

Dear Honorable Deputy Chief Justice Zondo

## COMMISSION OF INQUIRY INTO ALLEGATIONS OF STATE CAPTURE: MS MENTOR

1. We refer to our recent correspondence dated 20 and 22 November 2018 in which we expressed our concern with the manner in which Ms Mentor has been treated and urgently requested certain outstanding information.
2. It is with deep regret that we feel compelled to address yet another letter regarding the same conduct.
3. Despite numerous requests for confirmation, we were only informed in the afternoon on 27 November 2018 that the inspection in loco of the Saxonwold residence was to proceed at 10h00 the following day, 28 November 2018. We proceeded to confirm with counsel that they be present at the inspection in loco.
4. It is necessary for us to highlight at this point that Ms Mentor is assisted on a pro bono basis by her counsel. They offer their time and assistance wherever they can, often with considerable disruption to their practices due to the haphazard manner in which the Commission's timetables have been relayed to us, which has often necessitated that their schedules be rearranged at a moment's notice. Notwithstanding this, they have tried their best to be accommodating.

5. As you are aware, Ms Mentor is based in Cape Town. When the writer followed up with Ms Mentor as to her travel arrangements, she advised that she had still not been informed of the details of travel. This has been the case on many occasions where she has been caused to anxiously be on standby and ready to travel at a moment's notice without proper and reasonable communication.
6. The commission's Mr. Mabunda then sent the writer a text message on the evening of 27 November 2018 at 18h17 as follows:  
  
*"Dear Ms Phala. I advise that the Commission's Corporate Director has advised that it will be impractical to conduct the inspection in loco on Wednesday the 28th November 2018 because they are still getting experts needed for the inspection through the Department of Public Works. They will advise on the date of the availability of the experts. A formal letter will follow. The procurement process has to follow the PFMA."*
7. While we appreciate the logistics involved, these issues should, with respect, have been attended to prior to confirming a date for the inspection. The writer thus had to notify the entire legal team that the inspection would not continue on 28 November 2018 after all. Ms Mentor was further made to anxiously wait until that evening not knowing when she would travel in order to make it to Johannesburg by 10h00 the following day.
8. It was then agreed that these issues would be brought to your attention, which is the purpose of this letter.
9. Our client has co-operated fully with the Commission. While she was willing to overlook the initial mishaps regarding travel arrangements, dates and other issues as the Commission got off its feet in its early days, she is exasperated that the situation has not improved and, in fact, shows no sign of improvement. Ms Mentor has sought to accommodate the Commission every step of the way (often to her and her legal team's detriment).
10. Ms Mentor has frequently been shunted from pillar to post, instructed with very little notice that she is required in Johannesburg, only to have plans changed again, and little opportunity to consult with her legal team. Her legal team has unfortunately been placed on the back foot as a result, often operating in reactionary mode, and struggling to be present when issued a date on short notice with no regard to existing commitments and schedules. While we appreciate that the Commission is pressurised regarding time, it is not in the interests of the Commission to have a key witness regularly frustrated, or to expect her to testify and subject herself to cross-examination when there is still much information that has not been gathered or if it has, shared with us.
11. On the evening of Wednesday 29 November 2018, we received a letter from Mr Mabunda requesting Ms Mentor to conduct a "pointing out" at the Saxonwold residence (without the presence of experts) on Monday, 3 December 2018 and for her to conclude her evidence on 4 December 2018 as there is no other date available in 2018 for the conclusion and cross-examination of Ms Mentor.
12. We simply do not see the point of this exercise. We had understood that the Commission regarded the presence of the experts to be critical to the entire inspection in loco.
13. While we note that Ms Mentor has now been advised that she can testify on 4 December 2018 rather than 30 November 2018, that concession is unfortunately now of little comfort.

581

In order for Ms Mentor to continue her evidence and be cross-examined, she requires all outstanding information, which has been repeatedly requested and which was highlighted in our letter dated 22 November 2018 and other correspondence thereafter well in advance so that her entire team can meet with her in preparation. The letter from Mr Mabunda fails to set out when the outstanding information would be received (if at all) and when Ms Mentor would travel to Johannesburg in order to consult with both her and the Commission's legal teams.

14. We therefore respectfully propose that we be advised as soon as possible when we can expect the following information:
  - a) the bundle of "further evidence" that has been received to which reference was made in the meeting on 15 November 2018 (to the extent that it does not form part of the supplementary bundle served on us on 26 November 2018);
  - b) the seating plan for the Emirates outbound flight to Dubai for the China trip. (If there are concerns regarding passengers' identity, the names can be deleted from the plan (save for that of Ms Mentor). Ms Mentor confirms that she is able to identify precisely where, in relation to her seat, the man Duduzane Zuma referred to as his Chairman, was seated. Ms Mentor can then inform the Commission of the row and seat number, and the Commission can identify the person from the passenger list.
  - c) Ms Lakela Kaunda's outstanding cell phone records, and in particular those for her alternative number and records for both numbers for the month of September 2010. We only have records for one of her two numbers and only for the month of October 2010. The 'Saxonwold offer' made to Ms Mentor was either in September or October 2010.
  - d) Robert McBride's statement as head of IPID, which Ms Mentor says will confirm that she indeed laid charges against the Hawks and other officials.
  - e) A transcription of Ms Mentor's recording of the meeting with Adv Mtolo and Major-General Mnonopi on 14 December 2018.
15. In the absence of the above information being received timeously, it would be deeply unfair to expect Ms Mentor to subject herself to cross-examination on 4 December 2018.
16. While we understand the pressures of the Commission and are committed to supporting it as best we can to fulfil its mandate, we respectfully request that Ms Mentor be afforded the same courtesy. This is a stressful process for Ms Mentor and it is counter-productive she continue to be placed in a prejudicial position. This is manifestly also not in the best interests of the Commission. The proper investigation and presentation of the relevant facts, and the proper preparation of a witness, cannot, with great respect, be sacrificed because of a wish to complete her evidence as quickly as possible.
17. We propose that Ms Mentor's evidence be postponed sine die, and be rescheduled at a time after the inspection in loco has been conducted (with the necessary experts as originally envisaged), and after the outstanding information requested has been obtained

Dear Mr Mabunda

Compliments of the new year.

I refer to your letter last year in which you indicated that Ms Mentor will appear at the Commission on 17 and 18 January 2019. I further refer to my e-mails in which I enquired as to when Ms Mentor will be meeting with the Commission's legal team. I have not yet heard back from you. I have also not received a transcript to Ms Mentors recordings and the other outstanding issues. In the circumstances, it is my understanding that Ms Mentor will not take the stand on 17 and 18 January as previously indicated.

Please could you urgently give me an indication as to when she is expected to take the stand.

I will be leaving Webber Wentzel on 31 January 2018. As previously indicated in our consultations, I had hoped that we would be in a position to conclude Ms Mentors evidence prior to my departure. I have none the less copied in my colleague Belinda Tonono who will be assisting Moray Hathorn in my absence going forward should we not be in a position to conclude Ms Mentors evidence prior to 31 January 2018.

Kind regards

| <b>FEMALE</b> | It is 10 o clock, 10 to 10 boetie [ <i>speaking Xhosa 8:30</i> ]   |
| <b>MALE</b>   | Don't worry, let's not start by fighting.  |
| <b>FEMALE</b> | But what's the purpose of this meeting?  |
| <b>FEMALE</b> | The purpose of this meeting neh, obvious the matter was then allocated to the MPA neh, for [8:46].   |
| <b>FEMALE</b> | Who allocated it to the MPA?   |
| <b>MALE</b>   | It's us that do that option.   |

585

|               |  |
|---------------|--|
| <b>FEMALE</b> | You handed the matter to them? So they must be signing.  |
| <b>MALE</b>   | So they going to make a decision and see whether they're satisfied with the information that we provide or they need to clarify some issues.   |
| <b>FEMALE</b> | Or they want for us to retaliate, why [9.05] guidance neh?   |
| <b>MALE</b>   | Yeah.  |
| <b>FEMALE</b> | So why they want to [9.08] with them?  |
| <b>FEMALE</b> | But you guys know that I have reported to the senior managers' hobs to...  |
| <b>MALE</b>   | I remember when I [9:17] in the appointment they tried to.   |
| <b>FEMALE</b> | Oh with [9:21] because [ <i>speaking Xhosa 9:24</i> ]. How far is the matter, where is the matter? How far is the matter but you know [ <i>speaking Xhosa 9:47</i> ] but it's actually but it's actually defeating the ends of justice.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 10:03</i> ]  |
| <b>FEMALE</b> | Yes that's why all the statements that are ... utmost work, a lady commission or something, I don't know but then [ <i>speaking Xhosa 10:27</i> ] I'm putting somebody in their plate right now. Every trace of paper and email, [10:37] for my eyes only, confidential, what, what, what, since they are... |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 10:42</i> ]  |
| <b>FEMALE</b> | When.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 10:44</i> ].   |
| <b>FEMALE</b> | Personal.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 10.45</i> ]  |
| <b>FEMALE</b> | No, no, no. [ <i>Speaking Xhosa 10:47</i> ]. When I went to the Public Protector, as in weekends I handed in copies of my affidavit.   |
| <b>FEMALE</b> | Okay.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 10:56</i> ] and you don't have anything with them to [ <i>speaking Xhosa 11:00</i> ] and you know somebody was, somebody phoned to [11:05] phoned to say it is putting this are a third person. Untemela has instructed that   |

|        |  |
|--------|--|
|        | this other person must come and fetch every trace of document relating to this thing [11:23] and then months went by, more than 6 months, 6/7 months, after that I said [11:27].   |
| FEMALE | [ <i>Speaking Xhosa 11:30</i> ]  |
| MALE   | [ <i>Speaking Xhosa 11:33</i> ]  |
| FEMALE | [ <i>Speaking Xhosa 11:38</i> ]  |
| FEMALE | It might be that I'm confusing the order because [ <i>speaking Xhosa 11:51</i> ] three names.  |
| FEMALE | And they come here and [ <i>speaking Xhosa 11:59</i> ]. Hi I've been phoned by [ <i>speaking Xhosa 12:05</i> ] let me create this [ <i>speaking Xhosa 12:16</i> ].   |
| FEMALE | [ <i>Speaking Xhosa 12:27</i> ] who took the phone the police station [ <i>speaking Xhosa 12:40</i> ] they're two captains. Captain, I think I know the other one was PA to [12:49] the other one is in investigating. They said it was their best investigator. |
| FEMALE | [ <i>Speaking Xhosa 12:55</i> ]. The ones that came here. So [ <i>speaking Xhosa 13:00</i> ] eventually but you know [ <i>speaking Xhosa 13:08</i> ].  |
| FEMALE | [ <i>Speaking Xhosa 13:16</i> ]. You must remember boetie, the first half I did not even write it myself in my own handwriting. I was speaking, somebody was writing.  |
| FEMALE | Yeah, yeah [ <i>speaking Xhosa 13:36</i> ].  |
| FEMALE | [ <i>Speaking Xhosa 13:39</i> ]  |
| FEMALE | Yes [ <i>speaking Xhosa 13:43</i> ].   |
| FEMALE | Unless they change their mind.   |
| FEMALE | [ <i>Speaking Xhosa 13:57</i> ] Corrections?   |
| MALE   | Yeah.  |
| FEMALE | [ <i>Speaking Xhosa 14:00</i> ]  |
| MALE   | [ <i>Speaking Xhosa 14:03</i> ] yeah okay.   |

587

|               |   |
|---------------|---|
| <b>FEMALE</b> | Is it cold water?   |
| <b>FEMALE</b> | It's cold water.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 14:18</i> ] clarities neh, [ <i>speaking Xhosa 14:23</i> ]  |
| <b>FEMALE</b> | How many clarities do you want?   |
| <b>MALE</b>   | Not only one, one, two, three.  |
| <b>FEMALE</b> | That's only ... that's a whole statement I think.   |
| <b>MALE</b>   | No, not the whole statement. Okay. So we submitted this matter over to the NPA for them to decide whether they, possibly prosecution or they won't<br>[ <i>speaking Xhosa 14:51</i> ]   |
| <b>FEMALE</b> | Because it's their baby.  |
| <b>MALE</b>   | It's their baby.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 14:53</i> ] the time yes.   |
| <b>MALE</b>   | For us is just to follow the information, then we give it to them.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 14:58</i> ]   |
| <b>MALE</b>   | Okay.   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 15:05</i> ].  |
| <b>MALE</b>   | I think one most important thing neh, [15:15] to consider neh, we've mentioned the fact that, you are the single witness when it comes to this case. You are the only witness, there is no other witness. So obviously we'll need to take cognisance of some of that, as you are the only witness, we need to make sure that at least each and everything that might arise because don't we know cooperation, everything that would come from another person than yourself. |
| <b>FEMALE</b> | So does it mean nobody ever laid charges other than me?   |
| <b>MALE</b>   | You see, okay, let's go [ <i>speaking Xhosa 15:53</i> ] laid charges neh but<br>[ <i>speaking Xhosa 14:46</i> ].  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa 15:50</i> ] which is wrong.   |

588

|               |   |
|---------------|---|
| <b>MALE</b>   | <b>[Speaking Xhosa 15:53]</b>   |
| <b>FEMALE</b> | <b>[Speaking Xhosa 15:55]</b> tweeted whatever.   |
| <b>MALE</b>   | Now, we are left with no choice, we only have you as the most important witness and also the single witness on this case, <b>[speaking Xhosa 16:22]</b> we can't take <b>[speaking Xhosa 16:25]</b> we can't do ...   |
| <b>FEMALE</b> | <b>[Speaking Xhosa 16:26]</b>   |
| <b>MALE</b>   | <b>[Speaking Xhosa 16:27]</b> , yeah. Okay. What's required <b>[speaking Xhosa 16:32]</b> . What is the most important thing, we need to make sure that you place to Johannesburg during that hearing, the importance of that will change.  |
| <b>FEMALE</b> | When the people offered me the ...  |
| <b>MALE</b>   | Yeah, yeah because now the importance of that part <b>[speaking Xhosa 16:50]</b> prepare for the court, whoever that would be allegedly, suspect <b>[speaking Xhosa 16:56]</b> who is this woman, do you understand? .  |
| <b>FEMALE</b> | The same people?  |
| <b>MALE</b>   | Yeah and we don't even know who is this woman, so now obviously then, they need to ask that, you see? So then we need to make sure that at least we placed you to Johannesburg during that period. Okay and Lieutenant the only way to do that, it could only be done by a means of a cell phone tower. So the your cell phone tower would be able to tell you boetie, your cell phone maybe on that day was an actual, <b>[Speaking Xhosa 17:26]</b> was in that place, you see. So those are the most important things, that's the first one. |
| <b>FEMALE</b> | And that's exactly what I told the Public Protector but I think the Public Protector because the time was limited and the resources were limited and the, yeah I [17.46] office. So I said to her also the same thing, I said but you must also bear in mind that the phone that I'm using now is my personal phone and at the time I had two official phones.  |
| <b>FEMALE</b> | <b>[Speaking Xhosa 18:05]</b>   |
| <b>FEMALE</b> | The one was, the one was my parliament subsidised one, as a Member of Parliament. The other one was the number that I would use when I was Job Focus, the one that I was paid by Job Focus[unclear]. But I know how to verify those numbers because I've had, I no longer use these two numbers, because  |

|               |  |
|---------------|--|
|               | they went back to Parliament to [18:36] but I can tell you ...   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 18:43]   |
| <b>FEMALE</b> | And I know boetie, I have a way of finding out which number they used that day because there is, when I was held in that house, firstly when I was held I the Sahara offices and when I was held in that house, me thinking that I'm waiting for the President because time was running out and I was thinking, that when I think, I wonder what's going to happen to me. You know you have, as a security trained person, you phone somebody to say that hey [19:20 <i>speaking Xhosa</i> ] directions.   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> ]. Should whatever might happen.   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> ] And in addition [ <i>Speaking Xhosa</i> ] don't even know, because the arrangement was [ <i>Speaking Xhosa</i> ] same thing. So [ <i>Speaking Xhosa 19:38</i> ] because I did ask, should I rent myself a car or [ <i>Speaking Xhosa</i> ].  |
| <b>FEMALE</b> | So who was calling you by then to say, is waiting for you there at the airport or whatever, whatever?  |
| <b>FEMALE</b> | The one person that, there is a guy that spoke to me that night but the other person that spoke to me is, I think it's [Ulaleka 20:03, is it Laleka]. The one from the president.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> ].   |
| <b>FEMALE</b> | I know it's, is it Laleka the name, am I [ <i>Speaking Xhosa</i> ] you know because I have been looking for the President for months and then eventually I looked for the President via the [20:23] house and I spoke to JC and JC gave me the number of this lady. So that's how I knew that I had her number on my phone that showed when she called, because I had received her number from JC. JC said to me because I was saying to JC, JC maybe I should, because the officials are meeting in [20:52] certain Mondays, maybe I should come one Monday, you know to get the President. Then she said [ <i>speaking Xhosa</i> ] President. What I can advise you is, you must get to the President, through the personal [ANC 21:05] and one legally your side. |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> ]  |

|               |   |
|---------------|---|
| <b>FEMALE</b> | Because I know I saw this number. But then [Ulaleka] also said somebody else was going to call me after, like when I made queries about [21:21] airport, that guy with a clear Indian talk, but that's why because we did, you know the Guptas were not so, when published in the media.  |
| <b>FEMALE</b> | When was it, when was it? The date?   |
| <b>FEMALE</b> | That was in 2010. You see I found something very strange about when I looked at the Minister, when I looked at Barbara Morgan's testimony to the Public Protector because the Public Protector asked about Barbara Morgan when did Barbara Morgan become reshuffled as [unclear 22:09] because I know it's around that because I was told that she was going to be reshuffled and I could be the Minister. But the date that Barbara Morgan gave, she said December, which to me is very strange, either because... so I saw that she said she was reshuffled in December which I would never, slide Barbara Morgan, because when I was not very sure, remember it is now 2016 and we're talking about things that happened earlier. I went into the internet to check the date. The date that you know to be as close as possible. So the date that I got from the internet was October, which makes sense to me because the State President visit to China was in August and I know that that incident in the Gupta house was after the State visit, but not too long after. Like if the State visit was in August, there's no way that, it wasn't like four months down the line when, it was like a month or so, a couple of weeks, it cannot be. So I don't know, I don't want to change what I say because of what, but that caught my eye to say, I wonder if Barbara Morgan insisted that she was [2:45] because I can check again now on the internet. |
| <b>FEMALE</b> | [Speaking Xhosa]  |
| <b>FEMALE</b> | What I can tell you for certain is that my encounter with the Guptas was not many months after the President's visit to China, which and I was there also when the President, it was weeks after the visit, not months. It can be five weeks or so but definitely not months.   |
| <b>FEMALE</b> | Not more than months.   |
| <b>FEMALE</b> | No. It does not go to December. I don't know. Because I know, I don't want to reveal much now which [25:02] but something that I revealed to the Public Prosecutor is that there was an attempt in, I'll tell you this very confidentially. The reason why I really want to keep this confidential is, I was bothered after I   |

591

|               |  |
|---------------|--|
|               | <p>made a submission to the Public Protector when, one journalist that I know is a very safe journalist, a certain Muzika Za Afrika, from the Sunday Times or whatever. I think he now works for [25:31] calls me and asks me about this [25:35] and the very first person that I told anyone about this was, my submission to the Public Prosecutor. That when I was in China, somebody, just because the first day it's proceedings, you know it's a funfair whatever. Then in the evening there is a State Banquet,.</p>  |
| <b>FEMALE</b> | <p>[<i>Speaking Xhosa</i>].</p>  |
| <b>FEMALE</b> | <p>So the very thing that I just referred to, the Public Protector confidentially and under oath too. A media journalist called me about and asked me about that thing and it means that these people are forever forewarned and forearmed you know. So what I can tell you is that there was an incident in China, the evening of, just after the first day, just before the State Banquet, something that had to do with the President myself and somebody else. Then I refused to participate in that matter. Then in that house I also said to the President about that.</p>   |
| <b>FEMALE</b> | <p>[<i>Speaking Xhosa</i>].</p>  |
| <b>FEMALE</b> | <p>I said to him about that that happened, you are forgiven but I would never have done that. I still, I would never have done what I was expected to. When I said to the President, I was talking about a very same thing you know, that's how I know for certain that it was mixed after the China [27:57]. When I spoke to him I was saying to the President what happened weeks ago in China I would still do the same thing. So if he felt offended or disrespected but I had a responsibility to protect myself as well. So I was talking to him like it was something that happened weeks ago, months ago. So I don't know but I think, I suspect that [28:25]. As far as I am concerned it was weeks after the State Banquet, it was not many months and anyway in December, Parliament normally closes when school closes and school normally, we rise when school closes and I would not have been, because I know I was coming from Parliamentary duty when I heard about the reshuffle. I was coming from the airport, I was driving. Then I saw [<i>speaking Xhosa</i>] and from my car I phoned my friend. The day that I phoned is exactly the day that I [<i>speaking Xhosa</i>] if it was December I would not have been coming from a Parliamentary duty from the airport because December Parliament [<i>Speaking Xhosa</i>], so I ... I think you can place me. if I give you some phone numbers, all the same phone</p> |

|        |  |
|--------|--|
|        | numbers that I was using at the time, I am certain. I also said to the Public Protector also said, even [ <i>Speaking Xhosa</i> ] I don't know, if it's blocked that the towers can't trace it, I said [ <i>Speaking Xhosa</i> ]. The tower can place it around that house. If he came by car, because I didn't see his car come, I just saw him [30:22] |
| FEMALE | [ <i>Speaking Xhosa</i> ] before you or?   |
| FEMALE | Yes.   |
| FEMALE | After [ <i>speaking Xhosa</i> ].   |
| FEMALE | But if, that time obviously [ <i>speaking Xhosa</i> ] from inside the house [ <i>speaking Xhosa</i> ].   |
| MALE   | Okay. So now do you still remember those official's cell phone numbers?  |
| FEMALE | It's easy to trace it [ <i>speaking Xhosa</i> ] it's very easy because they were both linked to Parliament. Also my family members and my friends still have those numbers like I used to call them, including this one that I called when I was in that house, it's very easy.  |
| FEMALE | [ <i>Speaking Xhosa</i> 31:17] called to come down.  |
| FEMALE | The Sunday night?  |
| FEMALE | So, who called you, you're still in the car?   |
| FEMALE | [ <i>Speaking Xhosa</i> 31:29] amongst the people that called me that night is [31:46]. Then [ <i>speaking Xhosa</i> 31:52].   |
| FEMALE | [ <i>Speaking Xhosa</i> 32:00].  |
| MALE   | That's another question I think, because [ <i>speaking Xhosa</i> 32:25] because you are saying which we thought that you were going to [32:14] house neh?  |
| FEMALE | No, no unit building.  |
| MALE   | Unit Building, sorry, unit building, so now you want to know whether it is, was there an itinerary that was [32:22]?   |
| FEMALE | I remember, itinerary [ <i>speaking Xhosa</i> 32:29] normally when I go, when I carry my own stuff through Parliament, I have a secretary in Parliament who would  |

|        |   |
|--------|---|
|        | plan my things, who would book a ticket and all those. But because I said, [ <i>speaking Xhosa</i> 32:38] he called Sunday night [ <i>speaking Xhosa</i> ] President opens [ <i>speaking Xhosa</i> ].   |
|        |   |
| FEMALE | So it was Sunday night [ <i>Speaking Xhosa</i> 32:50].. You had to fly same night or following night?   |
| FEMALE | No, no, no Monday morning, I had to fly the 6 o clock flight. [ <i>speaking Xhosa</i> ] Joburg past 8 or 20 past. Another thing, the airports [ <i>speaking Xhosa</i> ] the camera footage.   |
| MALE   | Is that a problem? Because now if you go there, I must check they don't allow, because even if you had this opinion, the court, when you go to the court because you want a court order, you can go to court, but the court will say your application is too wide. So he must specifically...   |
| FEMALE | But you see I think I can sit and calculate and accurately. I can accurately when I sit and go through things, I can take you to an app, a very approximately accurate ... because I know it was a Monday. It was a Sunday night. It was a Monday morning ...   |
| FEMALE | For the flight, 6 o clock flight, yes?  |
| FEMALE | Yes and we went there later too. But you see [ <i>speaking Xhosa</i> ] because, yeah no, she never changed the number ever since, she's been using the same number ever since.  |
| FEMALE | [ <i>Speaking Xhosa</i> ] engage between your number [ <i>speaking Xhosa</i> 34:35].  |
| FEMALE | [ <i>speaking Xhosa</i> 34:45]  |
| FEMALE | Remember [ <i>speaking Xhosa</i> 34:50] was there, 2000, [ <i>speaking Xhosa</i> ] 2013 that's also from [ <i>speaking Xhosa</i> ] public enterprises. So because when [ <i>speaking Xhosa</i> ] President, as soon as [ <i>speaking Xhosa</i> ] because I was subsidised telephone as the Chair. So as soon as [35:29]. But [ <i>speaking Xhosa</i> ] after like after this incident yes and not before. |
| FEMALE | So more or less [ <i>speaking Xhosa</i> 35:41] dates, these dates or what.  |
| FEMALE | Yes, if I can go to the date where it was announced within [35:53] and then   |

|               |  |
|---------------|--|
|               | that's what, that's why I say with prior relation I can take you to a very approximate...  |
| <b>MALE</b>   | Because I said the difficulties, so we don't want to because obvious if it we to go to the airport, can you give us a video footage of the day they will say give us the date. [ <i>speaking Xhosa</i> 36:26].   |
| <b>FEMALE</b> | Another thing I didn't even want to talk to Barbara Morgan. You see this report is dated 31 October and in [ <i>speaking Xhosa</i> 37:37].   |
| <b>FEMALE</b> | Yet it was before.   |
| <b>FEMALE</b> | Yes.   |
| <b>FEMALE</b> | It was before.   |
| <b>FEMALE</b> | It was before, remember this guy said to me, [[ <i>speaking Xhosa</i> 37:50]] and that time the media did not even speculate, nobody knew. [[ <i>speaking Xhosa</i> 38:00]] SAA Barbara Morgan [ <i>speaking Xhosa</i> 38:08] Barbara, there in that article it is the 31 October.   |
| <b>FEMALE</b> | [ <i>talking off microphone</i> ]  |
| <b>FEMALE</b> | 31 October 2010.   |
| <b>FEMALE</b> | [ <i>speaking Xhosa</i> 38:38] then I think it would be the one4 o clock [ <i>speaking Xhosa</i> 39:00]  |
| <b>FEMALE</b> | As I said the very last one, that thing was written in October, so we can't say [ <i>speaking Xhosa</i> 41:06] right from the beginning puzzle me, can't be [ <i>speaking Xhosa</i> 41:10] December, know she is wrong because I was coming from duties of Parliament. [ <i>speaking Xhosa</i> 41:24] but I will find a way, another thing is [ <i>speaking Xhosa</i> 41:43] but I'm very good with good record keeping and I also I've got a very retentive mind, I was reminded easily. [ <i>Speaking Xhosa</i> 41:56. It was exact week result [ <i>speaking Xhosa</i> 42:09] |
| <b>MALE</b>   | [ <i>Speaking Xhosa</i> 42:12]   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 42:25]it's before there, after the State visit to China [ <i>speaking Xhosa</i> 43:08]   |
| <b>FEMALE</b> | August?  |

|               |   |
|---------------|---|
| <b>MALE</b>   | Yes after August.   |
| <b>FEMALE</b> | As you say [ <i>speaking Xhosa</i> 43:16]   |
| <b>MALE</b>   | Okay so [ <i>speaking Xhosa</i> 43:22] who informed me about the [ <i>speaking Xhosa</i> 43:27], okay fine.   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 43:40] after 5 – 10 minutes. So after discussion [ <i>speaking Xhosa</i> 44:27].  |
| <b>FEMALE</b> | [ <i>speaking Xhosa</i> 44:41 to 46:29]   |
| <b>MALE</b>   | So you said obviously you were called and then you said it was around that time you received a call from Ululeka.   |
| <b>FEMALE</b> | I was about to, it was at the very early in, it was, I think it could be, it was after eight and before ten, it was not like seven or eight, you know. Because I know I was about to sleep.   |
| <b>FEMALE</b> | So you never had anything, sounded like you were bad, I don't know  |
| <b>FEMALE</b> | No because normally travel diary is managed by PA but you know my secretary was so very good. I will also, I will phone her and ask her if [47:29] because what they normally do neh, [ <i>speaking Xhosa</i> 47:34]  |
| <b>FEMALE</b> | We had a very tight relationship. [ <i>Speaking Xhosa</i> 47:45]and she was very protective and she was very wise.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 47:53 to 48:26]because we're already tight, like mother and daughter.   |
| <b>MALE</b>   | Maybe she called also your number. The official numbers that you ... because those are important.   |
| <b>FEMALE</b> | Yes.  |
| <b>MALE</b>   | Another question, if you do have a copy of that diary.  |
| <b>FEMALE</b> | The thing is, she diarise, because we have, but normally [ <i>speaking Xhosa</i> 48:47]. So normally on Mondays we speak about the week [49:07] it can happen that somebody says, it would be very strange. I know there's a lady who was a member of the Portfolio Committee on Intelligence [ <i>speaking</i> |

|               |  |
|---------------|--|
|               | <i>Xhosa</i> 49:20], but a secretarial is likely to assist.  |
| <b>MALE</b>   | Okay so we were one the flight arrangement. Then okay we then go okay<br>[ <i>speaking Xhosa</i> 49:38]  |
| <b>FEMALE</b> | Let me ask you something. Let me ask you a question. If you go to Absa a<br>court company or SAA and then [ <i>speaking Xhosa</i> 49:55] dates travelling for<br>the whole of October 2010.  |
| <b>FEMALE</b> | Yes, September. September to October.  |
| <b>FEMALE</b> | That information can also unlock my ...  |
|               | [ <i>Speaking Xhosa</i> 50:19]   |
| <b>FEMALE</b> | And my number has never changed. Parliament, the Voyager member<br>[ <i>speaking Xhosa</i> 50:43]it remained constant, so just remember ...  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 50:47] will give you the track records.  |
| <b>MALE</b>   | Okay. Eventually the guy called you neh and then what did the guy say?   |
| <b>FEMALE</b> | You know [ <i>speaking Xhosa</i> 51:04]from the airport. He will be holding my<br>name.  |
| <b>MALE</b>   | So flight, did he give you the flight details or ifl go to the airport?  |
| <b>FEMALE</b> | Yeah he eventually called and confirmed the flight. He told me that I am<br>booked into the 6 o'clock flight.  |
| <b>MALE</b>   | Okay. Then and also confirm the [52:00] someone was going to?  |
| <b>FEMALE</b> | When I asked that, boetie must I rent a car or what?   |
| <b>MALE</b>   | Okay.  |
| <b>FEMALE</b> | And SAA.   |
| <b>MALE</b>   | 6 o clock neh?   |
| <b>FEMALE</b> | [ <i>speaking Xhosa</i> 53:18]   |
| <b>MALE</b>   | Okay, so let's deal with the part, the issue of itinerary. [ <i>speaking Xhosa</i><br>54:16]So now let's now deal with the issue of itinerary, what's the next<br>question is the itinerary neh. So you said obviously that this was arranged by |

597.

|               |  |
|---------------|--|
|               | your office?   |
| <b>FEMALE</b> | Which the same person.   |
| <b>MALE</b>   | Okay.  |
| <b>FEMALE</b> | The same person, yeah.   |
| <b>MALE</b>   | From the airport.  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 54:55]And in itinerary the ordinary, that's fine when the itineraries are there, the Ministers, okay.. |
| <b>FEMALE</b> | So that day there was no activity at all?  |
| <b>FEMALE</b> | Neither me, nor my secreatry made the arrangements first of all and all of a sudden.   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 56:02]. Well when was it, when was it, okay. [ <i>Speaking Xhosa</i> 57:20].                           |
| <b>MALE</b>   | Okay, so we're done with this part.  |
| <b>FEMALE</b> | Who sent, who in the NPA sent this to you?   |
| <b>MALE</b>   | [ <i>Speaking Xhosa</i> 57:46]..   |
| <b>FEMALE</b> | What's this for, matters running in the NPA?   |
| <b>MALE</b>   | [ <i>Speaking Xhosa</i> 57:59].  |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 58:26].  |
| <b>MALE</b>   | Yeah.  |
| <b>FEMALE</b> | It was a Sunday.   |
| <b>FEMALE</b> | [ <i>Speaking Xhosa</i> 58:37].  |
| <b>FEMALE</b> | For now you can provide us [ <i>Speaking Xhosa</i> 58:00 to 1 hour].   |
| <b>FEMALE</b> | It was getting ugly.   |
| <b>MALE</b>   | That is okay. Can you provide a [1.00.10]  |

398

|               |   |
|---------------|---|
| <b>FEMALE</b> | I can't remember which one was [1.00.27] to official numbers which I'm since whenever I came into the positions. I handed the numbers back over to him, the official office, but I can go and check which ones. |
| <b>MALE</b>   | Yes, but you can accommodate at this stage.   |
| <b>FEMALE</b> | No you see when you say I can't remember it looks clumsy. You must say I'm a tour official  |
| <b>MALE</b>   | [1.00.55] Even if I said they would want us to put them in the same place now with a gap now is bigger again for those people... [  |
|               | [Speaking Xhosa 01.01.04 – 01.01.17]  |
| <b>FEMALE</b> | I wanted to [1.01.18] on Tuesday yeah   |
| <b>MALE</b>   | Yes at that time  |
| <b>FEMALE</b> | At the time, at the time I was using [1.01.25]  |
|               | [Speaking Xhosa 1.01.27]  |
| <b>FEMALE</b> | Don't say states, say official.   |
| <b>MALE</b>   | Official is already .I was a member of Parliament and I was [1.01.37] two official cellphone numbers.   |
| <b>MALE</b>   | Ok. [Speaking Xhosa 1.01.44] 28 people and they went against [1.01.50] and say go and get this.   |
| <b>FEMALE</b> | [[Speaking Xhosa 1.01.56 – 1.02.03]   |
| <b>MALE</b>   | Yes ok.   |
| <b>MALE</b>   | Oh it was a night.  |
| <b>FEMALE</b> | Is it not important to say it was a Sunday night?   |
| <b>FEMALE</b> | It was a Sunday night   |
| <b>FEMALE</b> | Sunday night when I received the call.  |
| <b>MALE</b>   | From Luleka?  |

599

|               |   |
|---------------|---|
| <b>FEMALE</b> | Laleka.   |
| <b>MALE</b>   | Oh Laleka, not Luleka?  |
| <b>FEMALE</b> | I think it is Laleka.   |
|               | [Speaking Xhosa 1.04.05 – 1.05.48]  |
|               |   |
| <b>MALE</b>   | From OR Tambo to Union Buildings.   |
| <b>FEMALE</b> | About how I would be [1.06.13]  |
|               | [Speaking Xhosa 1.06.14 – 1.07.28]  |
|               |   |
| <b>MALE</b>   | Ok yeah [1.07.46]   |
|               |   |
| <b>FEMALE</b> | Male, someone Indian. She speaks English like the Indian people do.   |
|               |   |
|               |   |
| <b>MALE</b>   | [Speaking Xhosa 1.08.57] if your itinerary is important you need to bring it. When you flew from here to Gauteng. You thought you were going to [1.09.16] but everything changed. |
|               |   |
|               |   |
| <b>MALE</b>   | If it was official [1.09.22] it was supposed to be, there was some Government official that was supposed to pay for it, so what about the itinerary?                              |
| <b>FEMALE</b> | No. My itinerary, my work itinerary normally was done by my secretary in my office and that was done week days. This call came Sunday.  |
| <b>FEMALE</b> | There was no chance to do anything.   |
| <b>FEMALE</b> | There was no chance to do it.   |

|               |  |
|---------------|--|
| <b>FEMALE</b> | Yes. And then I took it as official because when you are phoned by somebody from the President's office and you know this person is call the President you don't have a reason to doubt that is why I didn't even bother that much to because they said a male person will phone in the next 5-10 minutes.                             |
| <b>FEMALE</b> | [Speaking Xhosa 1.10.04]   |
| <b>FEMALE</b> | And besides I mean this number [Speaking Xhosa 1.10.10] the secretary of the ANC and then this woman phones me. Jessie was trying to help me organise the meeting with the President. I had done everything. So Jessie eventually said we have not succeeded, we are not succeeding to organise it through [1.10.29] so this person... |
| <b>FEMALE</b> | [1.10.32]  |
| <b>FEMALE</b> | So when this person phones you, you have their number you know this person works for the President, you are told by the Deputy secretary general that this person works for the President. You don't doubt you know.   |
|               | [Talking off microphone]   |
| <b>FEMALE</b> | Because [1.10.58] by my office   |
|               |  |
| <b>FEMALE</b> | This was not a parliamentary call whatever.  |
| <b>FEMALE</b> | [Speaking Xhosa 1.11.34] if she done, let's check how far she is   |
|               | [Talking off microphone]   |
| <b>FEMALE</b> | ...you are suggesting that...  |
| <b>FEMALE</b> | The itinerary...   |
| <b>FEMALE</b> | [Talking off microphone]   |
| <b>MALE</b>   | Ok, and then? You said the call was....  |
|               | [Talking off microphone]   |
| <b>FEMALE</b> | What is the date today?  |
| <b>FEMALE</b> | The date is the 13 <sup>th</sup> ya.   |

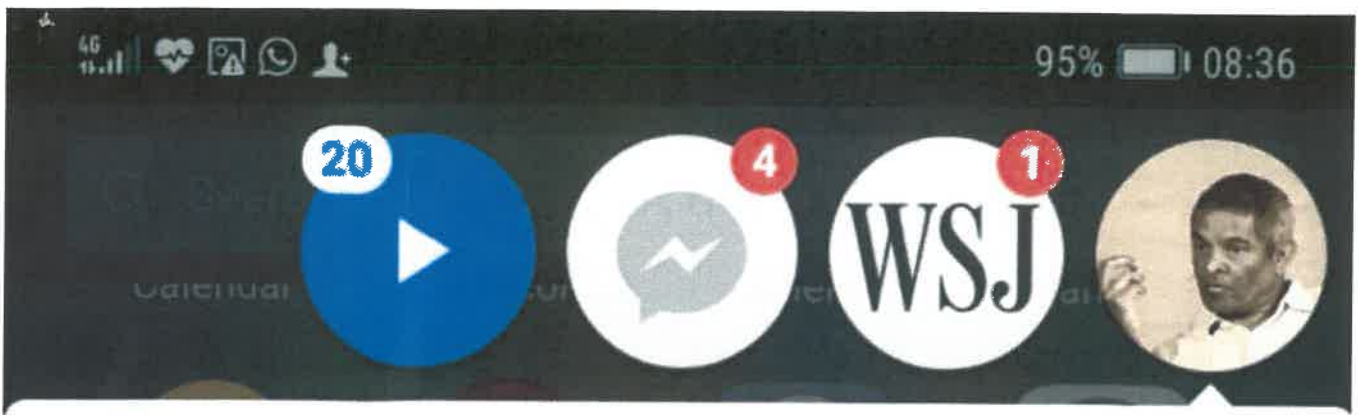

|               |  |
|---------------|--|
|               |  |
| <b>FEMALE</b> | [Speaking Xhosa 1.14.00 – 1.14.25]   |
| <b>MALE</b>   | Ok. So we are done now?  |
| <b>FEMALE</b> | Yes.   |
| <b>MALE</b>   | So now, people that you went to fetch at the airport you said it was two [1.14.38] guys. So we wanted to find out if you would be able to identify them.   |
| <b>FEMALE</b> | Yes. In a parade.  |
| <b>MALE</b>   | Ok. Only in hey? But you can't identify them now, described them.  |
| <b>FEMALE</b> | I know that the other one was youngish and a bit slightly taller than the other one [Speaking Xhosa 1.15.07]   |
| <b>MALE</b>   | Ya, [speaking Xhosa 1.15.10 – 1.15.17]   |
| <b>FEMALE</b> | You know these people were two and it looked like the other one is senior to the other one. I mean when people relate to each other [ <i>talking over each other</i> ] or even observer, the way, so the one that behaved like he was junior it can be junior in terms of age or in terms of rank or whatever. Was slightly taller than the other one and at the time I don't know [Speaking Xhosa 1.15.55] but he was the slender one and he was not the one that was driving the car which is funny, but the one that was commanding and in charge and the one that approached me first and said his late whatever or whatever was a little bit stoutish that this other one and they were wearing dark glasses, dark suits and the one had listened over a two-way radio. But the one that was [1.16.32] all the time was the one that I think was senior to the other. I mean I thought [1.16.38] at the time they take and all those things because even the car was parked I think it's a protocol designated area I mean [speaking Xhosa 1.17.02] you know the junior one will do the menial tasks yes. |
| <b>MALE</b>   | Okay then I would say...   |
| <b>FEMALE</b> | The taller one looked like the youngest and he looked like the junior in terms of distribution of tasks when you observed and he didn't speak on the two way radio not once although he [speaking Xhosa 1.17.40]   |
| <b>MALE</b>   | You said there was two, one was tall and the other one was ok.   |

|               |  |
|---------------|--|
| <b>FEMALE</b> | The other one was not short, but the other one was taller than the other. The younger one yes.   |
| <b>MALE</b>   | Ok, ok.  |
| <b>FEMALE</b> | Taller and a bit thinner.  |
| <b>MALE</b>   | Taller hey.  |
| <b>FEMALE</b> | Slightly taller than the other one.  |
|               | <i>[Talking off microphone]</i>  |
| <b>FEMALE</b> | Taller and thinner.  |
|               |  |
| <b>FEMALE</b> | No, no, no,] the taller one is slightly thinner but he is not the one in charge.   |
| <b>FEMALE</b> | Ok.  |
| <b>MALE</b>   | Taller and thinner.  |
| <b>FEMALE</b> | Than the other one was yeah, he appeared the junior. He appeared to be the junior.   |
| <b>FEMALE</b> | When I see the weapon.   |
| <b>FEMALE</b> | Ja.  |
| <b>FEMALE</b> | There you go; there you go.  |
| <b>FEMALE</b> | <i>[Speaking Xhosa 1.20.17]</i>  |
| <b>FEMALE</b> | I can't give you an idea.  |
| <b>FEMALE</b> | <i>[Speaking Xhosa 1.20.28 – 1.20.48].</i> He want you to say hello to somebody who was there all along. He's still on the phone and then <i>[Speaking Xhosa 1.20.58 – 1.21.09].</i> |
| <b>FEMALE</b> | So, how long did you take airport?   |
| <b>FEMALE</b> | No, we just went like no waiting. They meet me [1.21.18]. They kept me at their office and at their house.   |

|        |   |
|--------|---|
| MALE   | Okay. Any questions? Now remember we told you about the big brother, ne.  |
| FEMALE | Inside there?   |
| FEMALE | In the office.  |
| FEMALE | It's again them.  |
| MALE   | Okay. Big brother ne?   |
| FEMALE | [ <i>Speaking Xhosa</i> 1.21.59]  |
| MALE   | Ja officer. [ <i>Speaking Xhosa</i> 1.22.01 – 1.22.26]  |
| MALE   | We're only dealing about all with these questions. Now, that you're sitting with the big brother, ne, so okay would you be able to identify the big brother?                |
| FEMALE | Yes.  |
| MALE   | Yes, okay.  |
| FEMALE | The big brother was fat and stout and he's wearing a ring on the index finger and I even asked him it's a gold ring with a gemstone. I even asked him why he's wearing a... |
|        | [ <i>Speaking Xhosa</i> 1.22.57]  |
| FEMALE | He was the fattest of them all.   |
| FEMALE | The big brother refer to.   |
| FEMALE | Much more stoutish and I think he is the shortest of the three of them. I think so. I am not sure. Sho, it's so hot.  |
| FEMALE | [ <i>Speaking Xhosa</i> 1.23.28]. How old are you? [ <i>Speaking Xhosa</i> 1.23.47]   |
| FEMALE | Oh, I am older than you by two years. I am 59.  |
| FEMALE | 59.   |
| FEMALE | [ <i>Speaking Xhosa</i> 1.23.56 – 1.24.16]  |
| FEMALE | So, there's a stage to pass ne? It do pass; it doesn't stay there, really.  |
| FEMALE | [ <i>Speaking Xhosa</i> 1.24.26 – 1.24.41]. My younger sisters went through that.   |

|        |  |
|--------|--|
|        | [ <i>Speaking Xhosa</i> 1.24.44 – 1.25.04]. I played her copies and I think...   |
| MALE   | Hey? Ja. Okay, so that is part of 10.  |
| FEMALE | There's two of them.   |
| MALE   | Ja, alright I'm saying [1.25.19]   |
| FEMALE | There stop.  |
| FEMALE | [ <i>Speaking Xhosa</i> 1.25.22]   |
| MALE   | Okay, now, yes, I can take one of those folders, ja, okay.   |
| FEMALE | And he, oh, he sends them around. Talks to them like they're children but he's wearing a ring and he says it was his father's ring.                            |
| FEMALE | How's that spelt?  |
| MALE   | Ftot hey?  |
| FEMALE | Yes.   |
| MALE   | It's Fto...  |
| FEMALE | F-t-o-u-t.   |
| MALE   | o-u-t and where are we?  |
| FEMALE | And then...  |
| FEMALE | [ <i>Speaking Xhosa</i> 1.25.55]   |
| FEMALE | He appeared shorter than the other one.  |
| FEMALE | He appeared shorter.   |
| MALE   | Stop! Stop! Stop! [ <i>Speaking Xhosa</i> 1.26.08]   |
| FEMALE | Appeared...  |
| MALE   | He appeared to be...   |
| FEMALE | And but remember I never saw them like this mos because obviously [ <i>Speaking Xhosa</i> 1.26.23] but I think either or shorter or illusion [ <i>Speaking</i> |

|        |   |
|--------|---|
|        | <i>Xhosa</i> 1.26.31]   |
| FEMALE | Because he appears...   |
| FEMALE | He appeared to be shorter than others and he was wearing...   |
| FEMALE | A gold ring with a gemstone on the right index finger.  |
| MALE   | What stone?   |
| FEMALE | A gemstone.   |
| MALE   | Gemstone okay. Spell it.  |
| FEMALE | G-e-m   |
| MALE   | Okay. G-e-m   |
|        | [ <i>Speaking Xhosa</i> 1.27.13 – 1.27.25]  |
| MALE   | . Was it on the right index finger, okay. I think for 2.4 I want you to provide the contact details of that particular you've given the name [1.27.50]. We look at... that's the thing, we submit because we're not sure about the name. Okay, because she... she also wanted to know why you don't respond to the call from the unknown third party. What's your answer? You are to say you are expecting the call because it was coming from the Office of the President. |
| FEMALE | But why? [ <i>Speaking Xhosa</i> 1.28.15 - 1.28.20] member of Parliament. I don't understand that question.[ <i>Speaking Xhosa</i> 1.28.25 – 1.28.30]   |
| MALE   | You know what I am saying. We like to respect our opposite because he's the prosecutor. He's going to say lie to us this because we will say no it's [1.28.38]. Okay, but now that you say no that's your answer they're going to stand for that answer. Okay. [ <i>Speaking Xhosa</i> 1.29.00 – 1.29.13]   |
| FEMALE | It's State money, boet.   |
| MALE   | So.   |
|        | [ <i>Speaking Xhosa</i> 1.29.14 – 1.30.05]  |
| FEMALE | Don't worry.  |
| MALE   | Okay, you went outside ne. Then they contact themselves of the unknown  |
